

## **JUNIOR OR MID-LEVEL ARCHITECTURAL TECHNOLOGIST**

As a result of GSSArchitecture's continued expansion, our Newcastle Studio are looking to recruit an Architectural Technologist to join the team.

The ideal candidate would have:

- BSc Hons, HNC or Equivalent qualification on Architectural Technology
- CIAT Membership or equivalent professional body
- Autodesk Revit proficient / certification
- Knowledge of NBS Spec Writer
- Detailing and Building Regulation knowledge depending upon experience
- Must want to learn and take their career forward as part of a thriving fast paced practice

Reporting to the Studio Team Leader, this position is full-time, permanent, and will be based at our Newcastle Studio.

If you are interested in this exciting opportunity and would like to join our friendly, professional team, please forward your CV and portfolio of work to [recruitment@gotch.co.uk](mailto:recruitment@gotch.co.uk)

We are an Equal Opportunities Employer.
