

Architectural Technologist

As a result of continued expansion, GSSArchitecture are looking to hire an experienced Architectural Technologist to join the team and be based in either our Milton Keynes or Kettering Office.

The ideal candidate would have:

- BSc Hons, HNC or Equivalent qualification in Architectural Technology.
- CIAT Membership or equivalent professional body.
- Minimum 3 years post qualification experience.
- Revit proficient / certified.
- Experience of Cobie data an advantage.
- Detailing and Building Regulation knowledge essential.
- Knowledge of NBS.
- Must want to learn and take their career forward as a part of a fast pace and thriving practice.

If you would like to join our busy professional practice, please send your CV and portfolio of work to recruitment@gotch.co.uk

We are an Equal Opportunities Employer.
