SENIOR TECHNOLOGIST

As a result of GSSArchitecture's continued success, we are looking to recruit a suitably qualified Senior Technologist to join a well-established, CIAT award winning Practice, in our Newcastle Studio.

Location: Newcastle
Job Type: Full-Time, Permanent
Hours: 7.75 per day, Monday to Friday, flexibility with start and finish times.
Salary: Please submit salary expectations with CV.

GSSArchitecture, one of the longest established architectural Practices in the country, is looking to appoint an enthusiastic, confident, well-organised and committed Senior Technologist to join our team, and assist in the continued growth and profitability of the Practice of 10 Partners, 60+ staff, and five national offices. The team and practice have been accredited to an Investors in People (IIP) Gold standard, rated as the second-highest scoring architecture practice on the IIP international database. We pride ourselves on our commitment to Sustainability and Health and Wellbeing, both in design and creating a healthy environment within which to work.

Role & Responsibilities (this list is not exhaustive):

- Producing a wide range of working drawing packages.
- Contribute to planning applications and other regulatory application procedures.
- Lead the detailed design process and coordinate design information.
- Liaise with appropriate authorities (e.g. planning enquiries and building inspectors) when producing documentation for statutory approval.
- Carry out design-stage risk assessments.
- Administer contracts and project certifications.
- Appraise the performance of buildings which are in use and produce maintenance management information.

Qualifications and Experience:

- BSc Hons, HNC or Equivalent qualification in Architectural Technology.
- CIAT Membership or equivalent professional body.
- Minimum 5 years post qualification experience.
- Revit proficient/certified.
- Experience of Cobie data an advantage.
- Sound knowledge of Detailing and Building Regulations essential.
- Sound knowledge of NBS.
- Experience of working collaboratively as part of a team, as well as experience leading a team.
- Strong communication and project management skills.
- Must possess an eye for detail and design.

What is on Offer:

- The chance to work at a national Practice, with an exciting and diverse range of projects in different sectors.
- Opportunities for advancement.
- Agile working hours.
- Established Home Working Policy.
- Rewards and incentives.
- Regular functions and events.
- Friendly and inclusive working environment.
- Training and development opportunities.

If you would like to apply for the above position, please send your CV and covering letter to recruitment@gotch.co.uk, quoting reference RA042.
